

NDIS Services

NDIS support to help make your everyday better

365care.com.au

At 365 Care, making days easier begins with what matters most to you.

It's our focus each time we're there to help.

Our approach

Personal

You have a direct number to contact your NDIS Support Partner, for personalised support & solutions.

Together

By working together, we collaborate with you to build a team of support workers that fit you and your needs.

Supportive

With your goals at the centre, we help you exercise choice and control to get the most out of your plan.

Consistent

Enjoy familiar faces with our passionate team living and working locally, for consistent, quality support.

Your NDIS Support Team

We work with your entire network to help meet all your health and support needs – and ensure you're getting the right supports at times to suit you.

Service Coordinator role:

- Personalised onboarding
 - Support plan development
 - Collaboration on complex health needs
 - Transition from hospital to home
 - Supporting our staff to meet industry best practice & deliver service excellence
-

Rostering team role:

- Scheduling support workers
 - Coordinating services changes
-

Support team role:

- Experienced & friendly NDIS accredited support staff skilled to meet all levels of support

NDIS

How it works

Referral

Step 1

You or your family, local support coordinator or community engagement officer reach out to 365 Care.

First call

Step 2

A 365 Care Support Partner gets in touch to understand you & your goals.

Home visit

Step 3

We meet you to establish your support plan.

Get started

Step 4

Meet your team and get services started, with you in control of what matters.

Ongoing support

Step 5

We stay in touch & you have direct access to your Care Support Team Leader.
