---

At Homewell,  
making days easier  
begins what matters  
most to you.

It's our focus  
each time we're  
there to help.

## Our approach

### Personal

You have a direct number to contact your NDIS Support Partner, for personalised support & solutions.

### Together

By working together, we collaborate with you to build a team of support workers that fit you and your needs.

## Supportive

With your goals at the centre, we help you exercise choice and control to get the most out of your plan.

## Consistent

Part of the community for more than 30 years, your team are passionate locals from your local area.

# Your NDIS Support Team

We work with your entire network to help meet all your health and support needs – and ensure you're getting the right supports at times to suit you.

---

## Support Partner role:

# NDIS

## How it works

### Referral

Step 1

You or your local support coordinator connects with Homewell.

### First call

Step 2

A Homewell Support Partner gets in touch to understand you & your goals.

### Home visit

Step 3

We meet you to establish your support plan.

### Get started

Step 4

Meet your support workers and get services started.

### Ongoing support

Step 5

We stay in touch & you have direct access to your Support Partner.
